## President's Message

Jeff Dimario  
Brookdale Building

I hope that everyone enjoyed the holidays and is starting off the New Year healthy and with new goals to work towards in 2015. The goal of our board is to have our members feel they are part of a successful organization. Our goals as an association are to be recognized as leaders within our community in the construction and contracting industries as well as being an asset to our members who want to network and grow their businesses as well as professional and personal relationships. In order for us to reach our goals we need all of our members to stand up and stand out as dedicated members. We know life gets busy and it is hard to make every meeting but the more you show up to we think you'll be looking forward to attending the next meeting. Our members that participate are getting the most out of this organization and we want to hear from everyone to know what events and speakers you would find interesting. As we continue to celebrate our 50<sup>th</sup> year in 2015 we have a lot of great events planned. We have some new venues as well as some familiar venues but we are looking to appeal to everyone. We heard from many people that they missed the family night so we are bringing that back in February when we go bowling. Members are encouraged to bring your families for a night to just be together as a group and have fun. It will be a catered event so you don't even have to worry about cooking dinner for the kids that night! We have a lot planned right up until our 12<sup>th</sup> Annual Charity Golf Tournament in July and you're going to keep hearing us looking for more and more members to get involved every month. We aren't looking to take up all of your time, just the third Thursday of each month-don't forget to mark your calendars! Please feel free to reach out to me anytime with suggestions or concerns about the organization. I enjoy hearing from our members so please stay in touch.

Thank you,

Jeff Dimario

## Member Spotlight!

We are all familiar with the Cyr Lumber and Home Center located in Windham, NH but did you know they also have two other locations? Their Manchester store is a full kitchen and bath showroom located at 545 Hooksett Road in the Maple Tree Plaza. Their newest location which opened in June of 2014 is located at 717 Route 103 in East Warner, NH and has a lumber yard and hardware store. Cyr Lumber is a certified ACE Hardware retailer which provides their locations with the buying power of over 10,000 stores, bringing you the tools, hardware, plumbing and electrical items you want at a competitive price. Our friends and members of Cyr Lumber have been committed to our organization since 1993. It is rare that you don't see Bill or Kevin at one of our meetings and we're grateful for them sponsoring our charity golf tournament as well as other events, and they are always willing to open their doors to host a Business After Hours. We hope that everyone comes out to support our friends on Thursday January 15<sup>th</sup> as they welcome us into their Kitchen and Bath Showroom in Windham for a casual night of business networking.

Be sure to check out their website for all of their latest news and sales at [www.CyrLumber.com](http://www.CyrLumber.com)

Interested in joining the Golf Committee? Please contact Katie for more information. We will meet monthly starting next month until we get closer to the big day in July in which we will have to check in a little more frequently. Even if you can't make every meeting we are always looking for volunteers to get the word out about our tournament as well as hole sponsors and contest sponsors. Let's make this year's tournament our best yet!

Directories will be printed at the end of January. Please make sure your information is current as these are distributed to over 16,000 homes and businesses within the Greater Salem area.

If you have any questions or changes to make about your listing please contact Katie no later than January 26<sup>th</sup>.

A New Years Chuckle for our members!
