Daylight savings ends and days will be getting shorter. I'm sure I'm not alone in hoping the weather holds out a while longer in order to button up some projects that still need to get finished up before snow flies. Thanksgiving is just weeks away and then the mad rush of December will be here in no time. It seems no matter what season we always have a reason to be busy. Hopefully at least on that fourth Thursday in November we can slow down just a bit and spend some time with our families and think of what we all have to be thankful for. Every family has their own traditions but most involve being together and for that we can all be thankful.

After the Thanksgiving holiday the GSCA has some fun events planned to kick off the holiday season and I hope you can join us. The parade and the Jingle and Mingle party are great ways to get together and just spend time with friends. We always have a lot of laughs working on the float for the holiday parade and it's pretty rewarding at the end of the day seeing how good our finished product looks. And then the next day to see the admiring eyes as we trot down Main Street makes the few hours we all pitch in very worth it. If you've never gotten involved with the parade, either working to decorate it or being part of the town festivities that Sunday I highly recommend it. And if you're looking for a night in December with dinner and dancing be sure to order your tickets for the Jingle and Mingle. Together we can make each of these events. Please reach out to me to see how you can get involved.

Greater Salem Contractors Association donates \$4,000 to local food pantries!!!

At the October meeting at The Harris Pelham Inn we invited volunteers from several local food pantries to accept the donations raised at our golf tournament in July. We also had a representative from The NH Food Banks who talked about the Food Bank process and the needs within our own community.

Donations were made to The Town of Salem Food Pantry, Bread of Life Food Pantry, Greater Salem Boys and Girls Club Youth Food Program, Pleasant Street Food Pantry, Rockingham Christian Church Food Pantry, Rockingham Community Action and St. Joseph and Mary's Parish Food Pantry

Our members also brought non-perishable items to help fill the pantry shelves.

Congratulations to our new member, Wayne Gelardi of AdServices Unlimited who won the Dunkin Donuts gift card offered as a raffle for those who brought in non-perishable items!
