We've been busy! We're excited to announce our upcoming schedule for the remainder of our 2018-2019 membership year. Please check out our event listings and mark your calendars— we have some great meetings coming that you won't want to miss.

In the next couple of months we'll be working on the incoming Board of Directors for our next operating year. If you are interested in seeing what it means to be a director reach out to the board or join us at one of our board meetings. We meet monthly to review any association business and work on ways to strengthen the organization and grow our membership. We'd love to hear your ideas and see some fresh faces— there is definitely some fun to be had along the way too!

If you have any ideas for meetings for next year or if you'd like to offer your space to host a meeting please let us know. We are still looking for a location for our March meeting where we've invited David Wholley, Director of The Salem DPW to come talk to our group. This is a great way to support our organization and promote your business— reach out to Katie Delay if you are interested.

We're planning for a great turnout in February as we feature several members at our "Member Spotlight" meeting. Learn about the services offered by our members and also some collaborative projects where our members have come together to make it happen. Show your support to these members who are taking the time to present to our group.

See you soon!
