President's Message

Jeff Dimario
Brookdale Building

As we close out our year it's a great time to look back and see where we've been. The board worked hard to offer a variety of venues and speakers this year to keep our members interested and excited about attending. For our ten monthly events this year we had eight different venues, some were new to us and were a big success. Our styles of meetings have varied, from having speakers from the community to business after hours as well as casual and family events and we felt it was a good blend for our group. We've been seeing an increase in attendance and have also seen faces we haven't seen in a long time and we hope to carry that on into our next membership year. In January the marketing committee really picked up the pace and started working on a campaign that we hope will increase membership and community awareness for our association. We'll be working all summer to finish rolling out the campaign and will be spreading the word to our current members for our plans for the fall when we'll invite our potential members to join our group. This is quite the undertaking and plan to see great results from our efforts.

Last month when our members came out to the Harris Pelham Inn for the service awards and installation dinner it was a great to see so much support. I am honored to be voted in as President for a second term and look forward to hearing from members so I can work on making sure everyone is getting the most they can from our association. I'd like to thank Bill Norton for presenting the service awards and installation ceremony. We are fortunate to have a member and a friend like Bill who is always willing to give back to our association. Bill has been our speaker in the past for the installation ceremony, is a huge part of our charity golf tournament every year and volunteers to hold business after hours meetings when we need a location. Its because of members like Bill that we are successful and are able to celebrate our 50th year.

I would like to wish our members and friends a prosperous and safe summer. It looks like the construction season is ramping up to be a busy one which will keep all our trades on the go. I hope to see everyone at the June outing and again in July at our golf tournament. Over the next few months I'll be working with the board of directors to set up a great 2015-2016 for our members. Thank you all for a terrific year.

-Jeff Dimario

Contractor Compliance Training for NHDOT- This is a great opportunity for anyone that is new to working on jobs with certified payroll or even as a refresher. There is only one training session this summer and the date has changed from July 1st to June 24th. The next class is not until December. The class runs from 8:30 am to approximately 12 noon and is located at the NHDOT, 7 Hazen Drive, Concord NH, Room 112. This would be a good time to brush up on requirements if you have not attended one of the classes in a while. Subcontractors are encouraged to attend if they have been experiencing problems or have never attended a class. It is good time spent. To enroll contact Emily Whittaker from NHDOT at (603) 271-6752
